

# E-learning

## Installation:

1. Upload complete script to server.
2. Give chmod rights **read/write** to following folders:
  - "dbelearning"
  - "icons"
  - "logos"
  - "slide"
  - "uploaded"
  - "teacher/uploaded"
  - "Teacher/slide"
3. Now site is ready to browse.

The first step to set up this site is that you have to register the organization.  
**Registration** link available on right hand side menu.

The screenshot displays the E-Learning website interface. At the top, the logo "E-Learning" is shown in red. A navigation bar contains links for Home, Programs, Courses, Login, and Contact Us. The main content area is divided into several sections:

- Latest Courses:** A vertical list of course thumbnails including Basic, Special and Raster Data, Arc-Gis, Map Basic., Map info., Physics, Fundamental OF Electronics, Fundamental Of Computer, Acc, and Business Writing.
- Browse Courses:** A grid of course titles such as Basic, Arc-Gis, Map info., Fundamental OF Electronics, Acc, lineal algebra, M&SC, ASP, Special and Raster Data, Map Basic., Physics, Fundamental Of Computer, Business Writing, and data structure.
- Browse Course Categories:** A grid of category names including Programing, Geographical Sciences, Information Technology, Marketing, Medicines, Engineering, Business, Mathematics, Graphics, Electronice, IT, Telecom, Space Technologies, Agriculture, and Social Sciences.
- Quick Links:** Three icons representing Schedule, Student Registration, and Organization Registration.
- News And Events:** A section with news items like "New Subjects are added (5/23/2007)", "News1(5/23/2007)", and "News2(5/23/2007)".
- Quick Search:** A search bar at the bottom right.
- Site Poll:** A small poll section at the bottom left.

Below is the organization Registration form.

[Home](#) | [Contact Us](#) |  
All Rights Reserved  
Privacy Policy

After registering the organization here are some important steps:

- 1) First you will add a program
- 2) Add Course Categories
- 3) Add courses of the program

- 4) Approve these courses
- 5) Add a teacher
- 6) Add class
- 6) Assign class to teacher
- 7) Add student

### How to add a program?

Click on the **Programs** link under the Organization menu. Click on **Add new** button then the following page will appear. Add program name, description and duration of the program and click on add, the program will be added.

[Home](#) | [About Us](#) | [Registration](#) | [Courses](#) | [Logout](#) | [Contact Us](#)

**Organization Home**

You have not added any program yet please add a program from the form below

**Name :**

**Description :**

**Duration :**

| [Home](#) | [Contact Us](#) |  
All Rights Reserved  
Privacy Policy

## How to add a category?

Click on the **Categories** link under the Courses a page will appear, click on the link Add new categories on the left side of page then the following page will appear, give category name and click Submit.

The screenshot shows a web interface for adding a category. At the top left is the logo "E-Learning" in red. To its right is a navigation menu with links: Home | About Us | Registration | Courses | Logout | Contact Us. Below the logo is the text "Organization Home". The main content area is titled "Add A Category" in blue. It contains a form with a label "Category Name" and an empty text input field. Below the input field are two buttons: "Submit" and "Reset". Below these buttons is a "< Back" button. At the bottom of the page, there is a footer with links: | Home | Contact Us |, and the text "All Rights Reserved" and "Privacy Policy".

## How to add a course?

Click on the link **Add courses** under the **Courses** the following page will appear.

The screenshot shows a web page with a header containing the logo "E-Learning" in red and a navigation menu with links: Home | About Us | Registration | Courses | Logout | Contact Us. Below the header is a sub-header "Organization Home". The main content area features a form titled "Number Of Courses" with a text input field containing the number "2". Below the input field are two buttons: "Submit" and "Reset". At the bottom of the form area is a "< Back" button. The footer contains the text: | Home | Contact Us | All Rights Reserved Privacy Policy.

Give number of courses you want to add and click Submit button the following page will appear, fill the course information form and click Submit button. The add course request will be sent to organization's waiting applications

<b>Course no. 1</b>	
Price	<input type="text" value="100"/>
Course Title	<input type="text" value="soc1"/>
Number of students	<input type="text" value="10"/>
Add Picture	D:\Documents and Setti <input type="button" value="Browse..."/>
Course Start Date	<input type="text" value="9/16/2007"/> 
Duration	4 Months <input type="button" value="v"/>
Category	Soc <input type="button" value="v"/>
Program	SOCIAL SCIENCE <input type="button" value="v"/>
<b>Course no. 2</b>	
Price	<input type="text" value="100"/>
Course Title	<input type="text" value="soc2"/>
Number of students	<input type="text" value="10"/>
Add Picture	D:\Documents and Setti <input type="button" value="Browse..."/>
Course Start Date	<input type="text" value="9/16/2007"/> 
Duration	4 Months <input type="button" value="v"/>
Category	Soc <input type="button" value="v"/>
Program	SOCIAL SCIENCE <input type="button" value="v"/>

Now click on the link **Organization** waiting applications under the **Organization**. The following page will appear you can edit the course information delete and approve the course here. Now click on the **approve** link to approve the course. The course will be approved and deleted from organization waiting applications.

## Organization Home
